How to read this book

Read one chapter a week at home, with the Learning Path it goes with. Read it once for the story, then again more slowly.

The words in the box at the start help you. They are underlined in the story.

At the end of each chapter, circle one answer to each question. In class we talk about the chapter for ten minutes and see who guessed what happens next.

Llegeix un capítol cada setmana a casa, amb el Learning Path que li toca. Llegeix-lo una vegada per entendre la història i una altra més a poc a poc.

Les paraules del requadre de l'inici t'ajuden: estan subratllades a la història.

Al final de cada capítol, encercla una resposta a cada pregunta. A classe en parlem deu minuts i mirem qui ha endevinat què passa després.

On Saturday morning Maya gets up at eight. She has a shower, puts on her tracksuit and has breakfast. Her little brother, Teo, usually plays video games. Maya loves skating, so she goes to the skate park every weekend. Maya is thirteen and has got a small channel called Maya Live! She has got 46 subscribers. Sami, her best friend, doesn't skate.

He takes photos and records videos.

"Today we need a great video," Maya says.

"Then do something great," Sami says. "And please don't fall!"

"Thanks for your help!"

It's cold and windy. Maya is wearing a helmet. She is skating and Sami is recording her. "Hi, everyone! Welcome to my vlog. Today we're at the park. We're having fun, but it's very windy!"

On Sunday evening she uploads the video. Ten minutes later, there is a comment from Fox_13: "Great video! But look behind you at 2:14." Maya watches the video. At 2:14 a person is standing under a tree.

The person is wearing a black helmet and an orange cap. Now the person is putting a green box under the tree. Then the person looks at the camera and runs away. Maya sends Sami a message: "Watch

On Monday after school, Maya and Sami return to the skate park. It's raining and cold. Sami is wearing boots and carrying an umbrella. "Which tree?" Sami asks.

"The big one, next to the bench."

The green box is still there, under the tree. Maya opens it. Inside there's an orange T-shirt and a card: "BROOKFIELD AUTUMN FUN RUN. Sunday, 10:00. Wear this T-shirt. Look for the fox."

"Running?" Maya says.

"I love skating, but I hate running."

"You love mysteries more," Sami replies.

All week Maya checks her comments. Fox_13 doesn't write again. On Saturday, Maya and Sami practise running in the park. After twenty minutes, Maya stops. "My legs are not happy!" she says.

On Sunday it's freezing and foggy. Maya puts the orange T-shirt over her tracksuit. At the park there is a crowd. There are food stalls and music. People are running, and children are cheering.

"There! An orange T-shirt!" Sami says. "Sami, look again."

Everybody is wearing orange. Parents, children, runners and helpers all have got the same T-shirt.

"How can we find Fox_13?" Sami asks.

Maya looks at the card. “Look for the fox. Easy words, difficult game.” Then a voice behind them says, “Hi, Maya. Nice T-shirt.”

Maya turns around. It isn't the person with the black helmet. It's a woman with a small board. Her orange T-shirt has got a fox on it. "Hi, I'm Kate," she says. "I organise the Fun Run. Can you help at the water table?"

"We aren't running?" Maya asks.

"Not now. The runners need water."

"Best news today!" Maya says. Maya and Sami are giving water to the runners. A man in a banana costume takes a cup.

A little girl takes another cup for her dog. Sami is taking funny photos.

"I usually go skating on Sundays," Maya tells her camera. "But today I'm helping at a race. Look! That banana is running!"

The crowd is cheering. People are coming to the water table, and Maya is filming a short video. Then Sami stops taking photos. "Maya! Look over there, near the finish line!"

A person is standing next to a bike. Black helmet. Orange cap.

The person is recording the runners.

"It's Fox_13!" Maya says. They run to the finish line. But it's foggy, and there are lots of people. The bike disappears. On the ground, Maya finds a card: "Good job, helpers! Next clue: check my channel."

On Sunday evening Maya and Sami are sitting at the kitchen table. Teo is watching them, and Maya has got her laptop.

"Let's find Fox_13," Sami says.

"Not so fast," Maya replies. "We need to check the source. Is there an author? Is there a date?"

Their first result is a website about real foxes. It has got lots of photos but no author or date.

"We can't check this," Maya says.

The second result is a gaming channel.

Its last video is from 2019, and the owner lives in Australia.

"Our fox is at the park today, not in Australia," Sami says.

Then they find a small channel called Fox_13: Brookfield Bikes. It has got only three subscribers. The latest video shows today's Fun Run. A person on a bike is wearing a black helmet and an orange cap.

"This is our fox!" Maya says. They watch another video. It has got music credits at the end.

"Good. The person tells us where the music comes from," Sami says.

Then Teo points at the screen. "Look at the blue school bag!"

At that moment, a new video appears. The screen is black. White words say: "Tomorrow. Room 13. Break time." Maya looks at Sami. "Tomorrow? At our school?"

"OK, Mum. Just one more—" "No more videos."

In the morning Maya is very tired. She usually has breakfast, but today she's thinking about Room 13. At break time she meets Sami. Room 13 is the school library. They go in together.

"This is the strange part," Sami says quietly.

There's only one boy in the library. He is reading a comic in the corner. Maya knows him. His name is Leo. He's new at school and usually sits alone at lunch. On his table there's a black helmet and an orange cap.

"Hello," Maya says. "Are you Fox_13?"

Leo looks at them and smiles nervously. "Yes. I love your videos."

"Why the green box? Why the Fun Run?" Maya asks.

"I'm new here. Talking to people is difficult for me. I love making games and puzzles. This is my game for you."

"Is Kate part of it?" Sami asks.

"She's my aunt. She helps at the Fun Run."

"Where's the next clue?" Maya asks.

"There isn't a clue today," Leo says. "I want to make a vlog with you. Can we do it together?"

"Of course!" Maya answers. They plan the video.

First Maya introduces everybody. Then she skates and Leo cycles. Sami takes photos. At the end, everyone gives a screen tip. Sami starts recording.

"Hi, everyone! Welcome to Maya Live!" Maya says. "Today I'm with my friends Sami and Leo. Sami is taking photos, and Leo is riding his bike."

Leo smiles at the camera. "I love cycling and filming. But I don't like talking to lots of people."

"You're doing great," Maya says.

At the end Leo gives the screen tip: "Take a break. Put your phone away and go outside. Real friends are better than more screen time."
