Ruta Insecure · Vocabulari i gramàtica

Tot el vocabulari i la gramàtica dels Learning Paths de la ruta Insecure, amb les explicacions tal com surten al web.

Com estudiar-ho

Primer tot el vocabulari i després tota la gramàtica, Learning Path per Learning Path. El Learning Path 1 (l'escalfament) i el 6 (el producte final) no tenen vocabulari ni gramàtica nous.

Vocabulari: tapa la columna del català i prova de dir què vol dir cada paraula; després llegeix l'exemple en veu alta.

Gramàtica: llegeix com funciona, tapa la columna de respostes i completa les frases; comprova-ho i llegeix el perquè.

- **Connectors de la tasca d'escriptura:** Then · After that.

Learning Path 3 · Useful expressions

Rutina o un dia diferent: usually / yesterday

Com funciona

- Fes servir usually per parlar d'una rutina i yesterday per parlar d'un dia acabat. Fes servir but per marcar una diferència.
- **Routine → different day:** Alex usually gets up at seven, but yesterday he slept in.
- **A choice:** He wanted to watch a show, but he decided to turn in early.

Learning Path 4 · Present Simple & Phrasal verbs

Present Simple

Com funciona

1 · Rutines en Present Simple

Parlem d'hàbits i accions que es repeteixen. **I study every afternoon.** Mira qui fa l'acció i quan es repeteix. En aquesta ruta només repassem el Present Simple.

2 · Afirmativa

Amb **I / you / we / they**, fes servir el verb base: **I work.** Amb **he / she / it**, afegeix -s o -es: **She works. He watches TV.**

have → has · do → does · go → goes

She has breakfast. He does his homework. She goes to school.

3 · Negativa

I / you / we / they + don't + verb base.

He / she / it + doesn't + verb base.

I don't work on Sundays.

She doesn't study at night. ✓

She doesn't studies at night. ×

Amb doesn't, el verb principal no porta -s.

4 · Preguntes i respostes curtes

Do / Does + persona + verb base…?

Do you walk to school? → Yes, I do. / No, I don't.

Does she have breakfast? → Yes, she does. / No, she doesn't.

Amb he / she / it, utilitza does; després escriu have, no has.

5 · Freqüència

always, usually, often, sometimes, never van abans del verb principal, però després de be.

She usually studies after school.

She is often tired.

Never ja vol dir mai: no afegeixis don't / doesn't.
