3 Reading: a model vlog script

Read Noa's vlog script. Notice its parts: greeting, now, usually, the photo, likes, tips, credits and goodbye.

Slide 1 · Hi!
Hi everyone! I'm Noa and welcome to my vlog about climbing, my favourite hobby.

Slide 2 · Live now
Today I'm at the climbing wall in my town. It's cold and windy outside, about five degrees, but it's nice and warm in here. I'm wearing a T-shirt, shorts and climbing shoes, because you don't need expensive kit. Right now my friend Nil is climbing the red route, the hardest one, and the others are cheering him on.

Slide 3 · Usually
I usually climb on Saturday mornings with my club, and we always finish with a game. This month I'm training three times a week, because the regional competition is in December and I want to get better.

Slide 4 · Facts
Did you know? Climbing is an Olympic sport since 2021, and there are three types: speed, bouldering and lead. I think bouldering is the most fun, because the routes are short and you don't need a rope.

Slide 5 · I like…
I love climbing because every route is like a puzzle, and I like meeting new people at the wall. I hate falling, but I believe you learn more from a fall than from an easy route.

Slide 6 · Screen tips
I watch climbing videos, but here are my tips: set a time limit of one hour, because one hour is enough. Take a break every thirty minutes, so your eyes can rest. And keep your phone out of your bedroom, because the light keeps you awake. That's the one I'm going to apply.

Slide 7 · Credits
Photos: me and Climb Up Club. Facts: "Climbing", Encyclopedia website, 2026; "Sport climbing", Olympics website, 2025.
Thanks for watching! See you next time!

6 Shadowing · Noah: Saturday at the bike park

Repeat part of the listening just behind the speaker, like a shadow.

How it works
Your teacher plays the clip three times: first read while you listen, then mumble the words along, then say them aloud just behind the speaker.

Noah: Hey, what's up? I'm Noah, and today I'm at the bike park with my friends.

Noah: It's Saturday morning, it's sunny and really windy, so it's perfect for riding.

Noah: I'm wearing my helmet, gloves and my old blue tracksuit, because the park is full of mud.

Noah: Behind me, Leo and Sara are racing down the hill. Leo is winning, as usual!

Noah: I usually ride here with my dad on Sunday mornings, and we go slowly.

Noah: But this weekend I'm filming a race for our club channel, so I'm not riding, I'm holding the camera.

Noah: Next week I'm racing too. Wish me luck!

7 Review: the forms of the vlog

Everything you need for the script: Present Continuous (now), Present Simple (usually), like + -ing, imperatives and time expressions.

How it works

The vlog script in four forms: now → *I'm / she's / they're + -ing* (*Today I'm at…, Nil is climbing*) · usually → Present Simple (*I usually climb on Saturdays*) · likes → *love / like / hate + -ing* · tips → imperatives (*Take a break. Don't…*). Time expressions: *today, right now, at the moment · usually, on Saturday mornings, twice a week*.

Linking sentences: *and* (adds), *but* (contrast), *because* (reason), *so* (result): *I love climbing because it's like a puzzle, so I train twice a week.*

Longer descriptions: join ideas with *and, but, because, so*, add a temporary situation (*This month I'm…*) and an opinion with a state verb (*I think…, I believe…, I prefer… to…*).

1. Today I _____ (be) at the skate park.
2. Right now my friends _____ (skate).
3. I usually _____ (come) here on Saturdays.
4. My sister _____ (not / come) with me: she hates skating.
5. I love _____ (skate) because it's fast.
6. In this photo, we _____ (wear) helmets.
7. Tip: _____ a break every thirty minutes.
8. Tip: _____ use your phone in bed.
9. It's cold _____ (avui), so I'm wearing a jacket.
10. I train _____ a week: on Tuesdays and Thursdays. (dos cops)
11. Write the -ing form: run → _____
12. Do you like _____ (watch) basketball?
13. I love climbing _____ it's like a puzzle.
14. I want to get better, _____ I practise twice a week.
15. I hate falling, _____ you learn from it.
16. I _____ (want) to join a climbing club. (state verb)
17. I'm getting _____ at skating. (millor)
18. This month I _____ (train) three times a week for the competition.
19. I _____ (think) bouldering is the most fun. (opinion)
20. I prefer the park _____ the sports hall.
21. Join: "It's cold. I'm wearing a jacket." (result) → It's cold, _____ I'm wearing a jacket.

8 Piece 5: my vlog script

Put pieces 1, 2 and 4 together and write the full script of your vlog, slide by slide, following Noa's model. This is the text you will say in the video.

Your task

Write the script (170–220 words) with one part per slide: 1 greeting · 2 live now · 3 usually, plus a temporary situation this month · 4 facts from your source (short research section) · 5 likes and dislikes with an opinion (*I think…, I prefer… to…*) · 6 three screen tips with a reason each, and the one you will apply · 7 credits (photos and two sources) and goodbye. Link your sentences with *and, but, because, so*.

Pauta: Hi everyone! I'm ___ and this is my vlog about ___. · Today I'm at ___. It's ___. ___ is ___-ing. I'm wearing ___. · I usually ___ on ___. · In this photo, ___ are ___-ing. They usually ___. · I love ___-ing because ___. I don't like ___-ing. · Two tips: ___. Don't ___. · Photos: ___. Facts: "___", ___, 2026. Thanks for watching!

Minimum 170 words.

Check before you hand it in

☐ Seven parts, one per slide

☐ Now vs usually, plus a temporary situation

☐ Facts from your source, in your own words

☐ Opinions with state verbs

☐ Three tips with reasons, and the one you will apply

☐ Credits for photos and two sources

9 Speaking: rehearse your script

Record your script as if you were recording the vlog. Use notes; don't read. Then listen: what would you change?

Your task

Say your whole script in 90–120 seconds, with a clear voice, a pause between slides and a link between parts ("But today is different!").

Model

Hi everyone! I'm Noa and welcome to my vlog about climbing, my favourite hobby. Today I'm at the climbing wall, and it's freezing outside, but in here it's warm. Right now Nil is climbing the red route and we're cheering him on. That's what we do every Saturday. But this month is different: I'm training three times a week, because the competition is in December…

Write what you will say · Then read it aloud three times and say it to your teacher.

10 Talk: interview about your vlog

Before you record, a classmate asks you about your vlog. Answer to get ready.

Your task

Answer in detail and make it interesting: say what makes your vlog special and give a tip for your viewers.

1. **What's your vlog about?**

2. **Where are you in the vlog?**

3. **Why do you like this activity?**

4. **Who do you usually do it with?**

5. **What's happening in your vlog?**

6. **How do you start and end your vlog?**

7. **What's your tip for your viewers?**

Then · Have the conversation aloud with a classmate: they ask and you answer, then swap.

Model

My vlog is about skateboarding, and it's a bit different because my little cousin is filming it. I'm at the skate park near my school, and behind me some older skaters are practising for a competition. I usually skate there on Friday afternoons, but in the vlog I'm learning a new trick. I enjoy it because you improve a little every time. My tip for viewers: always wear a helmet, and don't give up after you fall!

🔁 **How did it go?**

What helped me most?

What do I need to review?

📚 Study guide: prepare for Checkpoint 4 and the final exam

How to study what you learn in this Learning Path, and practice that works like the checkpoint and looks like the exam. The answer key is at the end of each activity.

How to study

🧠 Test yourself, don't reread
Close your notes and try to remember: write the words, say the rule, answer the questions. Then check. Rereading and highlighting feel useful, but you remember much less.
Retrieval practice · Roediger & Karpicke 2006; Dunlosky et al. 2013

📅 Spread it out
Three short sessions of 15 minutes on different days work better than one long session the day before.
Spacing · Cepeda et al. 2006

🔀 Mix it up
Practise similar things together so you learn to choose the right one for each sentence.
Interleaving · Rohrer & Taylor 2007

✅ Check and fix at once
Mark your answers with the key straight away and write each wrong answer again, correctly.
Feedback · Hattie & Timperley 2007

💬 Say why
For every answer, say the reason: "on, because it's a date." Explaining makes the rule stick.
Self-explanation · Dunlosky et al. 2013

😴 Sleep on it
Your brain stores what you learn while you sleep. A short self-test and a good night's sleep beat studying late the night before.
Sleep and memory · Diekelmann & Born 2010

My plan

1. **Today** · Close this page and write from memory: how a vlog starts and ends, and one sentence each for now, usually, likes and a tip. Then check.
2. **In 2–3 days** · Do "Practise for Checkpoint 4" below. Look at the key and write again what you got wrong.
3. **Before Checkpoint 4** · Go over the flashcards: only the ones you still miss.
4. **The week before the exam** · Do the exam-style practice in every Learning Path, then the Sample exam. Repeat only the parts you failed.

What comes up

Checkpoint 4 (everything in Free Time, Live! (Learning Paths 1–3, 5 and 6)): short gaps, one question at a time, about 45 seconds each, no going back and no notes. You do it once, and you must stay on the page: if you leave it, it is sent. It opens the next Learning Path.
Final exam: everything you have learnt comes up: the Listening, the Vocabulary and the Grammar of the

© 2026 Roger Beltran · English Lab · All rights reserved

whole LS (now or usually, like + -ing, imperatives, linking words) and the Writing, which is like your vlog script.

Practise for Checkpoint 4

One question at a time · 45 s

It works like the real checkpoint: 13 questions, one at a time, about 45 seconds each, with no going back and no notes. This is only practice: nothing is sent, you can repeat it, and at the end you see your answers and the key.

On paper: cover the questions and uncover them one at a time, about 45 seconds each, with no going back.

1. Hi everyone! _____ to my vlog!
2. Right now I _____ (sit) in the park.
3. I usually _____ (train) on Mondays.
4. I love _____ (play) basketball.
5. Tip: _____ to bed early. (anar)
6. In this photo, we _____ (eat) pizza.
7. Thanks for _____! See you next time!
8. My brother _____ (not / come) with me today.
9. I like football, _____ I don't like rugby.
10. I want to _____ a climbing club. (apuntar-me)
11. It's cold today, _____ I'm wearing gloves.
12. This month I _____ (practise) every day for the show.
13. I _____ (think) my vlog is fun to watch. (opinion)

Transcript 1 · Mei: Saturday at the ice rink

Mei: Hi everyone, I'm Mei, and welcome to my Saturday vlog! Right now I'm at the ice rink in the town square. It's December, so it's really cold, about three degrees, and it's cloudy. I'm wearing a woolly hat, gloves and a big red jacket. Look! My brother Kai is skating behind me, and he's falling… again! I usually come here on Sunday afternoons with my family, just for fun. But today is different: I'm training for the Christmas show. My group is doing a dance on ice, so I'm practising my turns. It's difficult, but I love it. OK, back to the ice. See you next week!
