Learning Path 2 · Celebrations around the world

Present Simple for customs · on / in / at

How it works

- We use the **Present Simple** for customs that happen every year: *People decorate their houses. Children dress up. We don't work on 25 December.*
- Useful chunks: *It is celebrated on… · It takes place in… · It is held in…*
- **on** + date or day (*on 31 October, on New Year's Eve*) · **in** + month or season (*in November, in winter*) · **at** + festival time or night (*at Christmas, at night*).
- **Present Simple passive** (am / is / are + past participle) to focus on the custom, not the people: *Pumpkins are carved. Gifts are exchanged at midnight.* *(Daring)*
