3 Reading: a model vlog script

Read Noa’s vlog script. Notice its parts: greeting, now, usually, the photo, likes, tips, credits and goodbye.

Slide 1 · Hi!
Hi everyone! I’m Noa and welcome to my vlog about climbing.

Slide 2 · Live now
Today I’m at the climbing wall in my town. It’s cold and windy outside, about five degrees, but it’s nice and warm in here. I’m wearing a T-shirt, shorts and climbing shoes. Right now my friend Nil is climbing the red route, the hardest one, and the others are cheering.

Slide 3 · Usually
I usually climb on Saturday mornings with my club, and we always finish with a game. I practise twice a week because I want to get better.

Slide 4 · Photo
In this photo, we’re at the regional competition. Nil is climbing and we’re cheering. It’s a great memory!

Slide 5 · I like…
I love climbing because every route is like a puzzle, and I like meeting new people at the wall. I hate falling, but you learn from it.

Slide 6 · Screen tips
I watch climbing videos, but here are three tips: set a time limit of one hour. Take a break every thirty minutes. And don’t use your phone in bed: keep it out of your bedroom.

Slide 7 · Credits
Photos: me and Climb Up Club. Facts: "Climbing", Encyclopedia website, 2026.
Thanks for watching! See you next time!

6 Shadowing · Noah: Saturday at the bike park

Repeat part of the listening just behind the speaker, like a shadow.

How it works

Your teacher plays the clip three times: first read while you listen, then mumble the words along, then say them aloud just behind the speaker.

Noah: Hey, what's up? I'm Noah, and today I'm at the bike park with my friends.

Noah: It's Saturday morning, it's sunny and really windy, so it's perfect for riding.

Noah: I'm wearing my helmet, gloves and my old blue tracksuit, because the park is full of mud.

Noah: Behind me, Leo and Sara are racing down the hill. Leo is winning, as usual!

Noah: I usually ride here with my dad on Sunday mornings, and we go slowly.

Noah: But this weekend I'm filming a race for our club channel, so I'm not riding, I'm holding the camera.

Noah: Next week I'm racing too. Wish me luck!

7 Review: the forms of the vlog

Everything you need for the script: Present Continuous (now), Present Simple (usually), like + -ing, imperatives and time expressions.

Don't…*). Time expressions: *today, right now, at the moment · usually, on Saturday mornings, twice a week*.

Linking sentences: *and* (adds), *but* (contrast), *because* (reason), *so* (result): *I love climbing because it's like a puzzle, so I train twice a week.*

8 Piece 5: my vlog script

Put pieces 1, 2 and 4 together and write the full script of your vlog, slide by slide, following Noa's model. This is the text you will say in the video.

Your task

Write the script (130–170 words) with one part per slide: 1 greeting · 2 live now (where, weather, what people are doing, clothes or kit) · 3 usually · 4 a photo · 5 likes and dislikes (love / like / hate + -ing) · 6 three screen tips with imperatives · 7 credits (photos and sources) and goodbye. Use time expressions and link sentences with *and, but, because, so*.

9 Speaking: rehearse your script

Record your script as if you were recording the vlog. Use notes; don't read. Then listen: what would you change?

Your task

Say your whole script in 60–90 seconds, with a clear voice and a pause between slides.

Model

Hi everyone! I'm Noa and welcome to my vlog about climbing. Today I'm at the climbing wall. It's cold and windy outside, but it's warm in here. Right now Nil is climbing the red route and we're cheering. I usually climb on Saturday mornings with my club…

Write what you will say · Then read it aloud three times and say it to your teacher.

10 Talk: interview about your vlog

Before you record, a classmate asks you about your vlog. Answer to get ready.

Your task

Answer in two or three sentences each. Use the Present Simple for habits, the Present Continuous for the scene in your vlog and love / enjoy + -ing.

1. **What's your vlog about?**
2. **Where are you in the vlog?**
3. **Why do you like this activity?**

© 2026 Roger Beltran · English Lab · All rights reserved

4. **Who do you usually do it with?**

5. **What's happening in your vlog?**

6. **How do you start and end your vlog?**

Then · Have the conversation aloud with a classmate: they ask and you answer, then swap.

Model

My vlog is about skateboarding. In the vlog, I'm at the skate park near my school and my cousin is trying a new trick behind me. I love skating because it's fast and I feel free. I start with "Hi everyone, welcome to my vlog!" and I end with "See you next week!".

🔁 **How did it go?**

What helped me most?

What do I need to review?

📚 Study guide: prepare for Checkpoint 4 and the final exam

How to study what you learn in this Learning Path, and practice that works like the checkpoint and looks like the exam. The answer key is at the end of each activity.

How to study

🧠 **Test yourself, don't reread**

Close your notes and try to remember: write the words, say the rule, answer the questions. Then check. Rereading and highlighting feel useful, but you remember much less.

Retrieval practice · Roediger & Karpicke 2006; Dunlosky et al. 2013

📅 **Spread it out**

Three short sessions of 15 minutes on different days work better than one long session the day before.

Spacing · Cepeda et al. 2006

🔀 **Mix it up**

Practise similar things together so you learn to choose the right one for each sentence.

Interleaving · Rohrer & Taylor 2007

✅ **Check and fix at once**

Mark your answers with the key straight away and write each wrong answer again, correctly.

Feedback · Hattie & Timperley 2007

© 2026 Roger Beltran · English Lab · All rights reserved

💬 Say why

For every answer, say the reason: “on, because it’s a date.” Explaining makes the rule stick.

Self-explanation · Dunlosky et al. 2013

😴 Sleep on it

Your brain stores what you learn while you sleep. A short self-test and a good night’s sleep beat studying late the night before.

Sleep and memory · Diekelmann & Born 2010

My plan

1. **Today** · Close this page and write from memory: how a vlog starts and ends, and one sentence each for now, usually, likes and a tip. Then check.
2. **In 2–3 days** · Do “Practise for Checkpoint 4” below. Look at the key and write again what you got wrong.
3. **Before Checkpoint 4** · Go over the flashcards: only the ones you still miss.
4. **The week before the exam** · Do the exam-style practice in every Learning Path, then the Sample exam. Repeat only the parts you failed.

What comes up

Checkpoint 4 (everything in Free Time, Live! (Learning Paths 1–3, 5 and 6)): short gaps, one question at a time, about 45 seconds each, no going back and no notes. You do it once, and you must stay on the page: if you leave it, it is sent. It opens the next Learning Path.
Final exam: everything you have learnt comes up: the Listening, the Vocabulary and the Grammar of the whole LS (now or usually, like + -ing, imperatives, linking words) and the Writing, which is like your vlog script.

Practise for Checkpoint 4

One question at a time · 45 s

It works like the real checkpoint: 11 questions, one at a time, about 45 seconds each, with no going back and no notes. This is only practice: nothing is sent, you can repeat it, and at the end you see your answers and the key.

On paper: cover the questions and uncover them one at a time, about 45 seconds each, with no going back.

1. Hi everyone! _____ to my vlog!
2. Right now I _____ (sit) in the park.
3. I usually _____ (train) on Mondays.
4. I love _____ (play) basketball.
5. Tip: _____ to bed early. (anar)
6. In this photo, we _____ (eat) pizza.
7. Thanks for _____! See you next time!
8. My brother _____ (not / come) with me today.
9. I like football, _____ I don’t like rugby.
10. I want to _____ a climbing club. (apuntar-me)
11. It’s cold today, _____ I’m wearing gloves.

Transcripts (only if you cannot listen)

Transcript 1 · Mei: Saturday at the ice rink

Mei: Hi everyone, I'm Mei, and welcome to my Saturday vlog! Right now I'm at the ice rink in the town square. It's December, so it's really cold, about three degrees, and it's cloudy. I'm wearing a woolly hat, gloves and a big red jacket. Look! My brother Kai is skating behind me, and he's falling… again! I usually come here on Sunday afternoons with my family, just for fun. But today is different: I'm training for the Christmas show. My group is doing a dance on ice, so I'm practising my turns. It's difficult, but I love it. OK, back to the ice. See you next week!
