5 Shadowing · Mei: Saturday at the ice rink

Repeat part of the listening just behind the speaker, like a shadow.

How it works

Your teacher plays the clip three times: first read while you listen, then mumble the words along, then say them aloud just behind the speaker.

Mei: Hi everyone, I'm Mei, and welcome to my Saturday vlog!

Mei: Right now I'm at the ice rink in the town square.

Mei: It's December, so it's really cold, about three degrees, and it's cloudy.

Mei: I'm wearing a woolly hat, gloves and a big red jacket.

Mei: Look! My brother Kai is skating behind me, and he's falling… again!

Mei: I usually come here on Sunday afternoons with my family, just for fun.

6 Present Simple or Present Continuous?

Read how it works and complete. After two wrong tries you will see the answer.

How it works

Present Simple = habits and things that are always true: *I usually play on Saturdays. She goes skating every Sunday.* Markers: *usually, always, never, every day, on Saturdays, in winter*.
Present Continuous = now: *Today I'm playing inside. Look! She's skating.* Markers: *now, right now, at the moment, today, this weekend, Look!, Listen!*

Contrast: *I usually go swimming, but today I'm watching a match.* (habit + now)

State verbs are not used in the continuous, even for now: *like, love, hate, want, need, know, prefer, understand, believe, mean*. *I want a new bike now* (not ~~*I'm wanting*~~). *Do you understand?*

Temporary situations: the Present Continuous also describes things that are true for a limited time, not only this second: *This month I'm training for a race. My cousin is living with us this year.* · **think** has two meanings: *I think skating is great* (opinion, no continuous) · *I'm thinking about my next video* (an activity now).

1. I usually _____ (go) swimming on Saturdays.
2. Today I _____ (watch) my sister's match.
3. Mei _____ (come) to the rink every Sunday.
4. Right now she _____ (practise) her turns.
5. Noah _____ (not / ride) today: he's filming.
6. Listen! Somebody _____ (play) the guitar.
7. We never _____ (play) football in winter.

8. _____ you usually _____ (train) on Tuesdays? — Yes, we do.
9. What _____ Kai _____ (do) at the moment? — He's falling!
10. My dad _____ (not / like) cold weather, so he stays at home in winter.

12. In summer we _____ (swim) in the sea every day.
13. I _____ (want) a new helmet. Mine is too small. (state verb)
14. _____ you _____ (know) the rules of this game?
15. She _____ (prefer) skating to cycling.
16. I _____ (not / understand) this exercise. Can you help me?
17. Leo usually wins, and he _____ (win) again today!

7 Mixed practice: choose the form

Mixed forms from LS1 and LS2: decide which one you need first.

3. I _____ karate on Tuesdays. (fer)

8. I _____ (not / want) to go out: it's freezing.
9. Who _____ (film) the race today? — Noah is.
10. I _____ (believe) she can win the show. (state verb)

8 Piece 2: usually… but today…

Write a "live" moment of your vlog: what you usually do in your free time and what is happening today. This is the second piece of your vlog.

Your task

Write 90–120 words as a live vlog moment: where you are and the weather, your usual routine there, what is happening right now, and one temporary situation this month (*This month I'm…*). Include a state verb, time expressions and *and, but, because, so*.

Model (don’t copy it)
Hi everyone! Right now I’m at the sports centre, and it’s cold and rainy outside. I usually go swimming here on Saturday mornings, and I always swim for an hour. But today the pool is closed, so I’m watching my sister’s basketball match. She’s wearing the white uniform, number seven, and she’s playing really well. I need a hot chocolate!

Pauta: Hi! Right now I’m at ___. It’s ___. I usually ___ here on ___. I always ___. But today ___ is ___-ing and I’m ___-ing. I’m wearing ___.

Minimum 90 words.

Check before you hand it in

☐ Present Simple vs Present Continuous used correctly

☐ One temporary situation (this month…)

☐ A state verb in the Present Simple

☐ and / but / because / so

9 Speaking: live!

Record yourself as if it were a live vlog. Use notes; don’t read.

Your task
Report live and add a temporary situation this month and why today is special; use at least one state verb (60–90 s).

Model

Hey, what's up? I'm at the bike park and it's sunny and windy, perfect for riding. I usually ride here with my dad on Sunday mornings, but this month I'm training for a race, so I come every day. Right now I'm not riding: I'm filming my friends, because we want a video for our channel. I think Leo is winning again!

Write what you will say · Then read it aloud three times and say it to your teacher.

10 Talk: now or usually?

A classmate asks you about your weekend.

Your task

Answer in detail, contrast habits and now, and explain why this weekend is different.

1. **What do you usually do on Saturdays?**
2. **What are you doing this weekend?**
3. **Do you usually do sport?**
4. **Who do you usually go out with?**
5. **How often do you see your friends?**

© 2026 Roger Beltran · English Lab · All rights reserved

6. **Why is this weekend different?**

7. **Which do you prefer, your usual weekend or this one? Why?**

Then · Have the conversation aloud with a classmate: they ask and you answer, then swap.

Model

On Saturdays I usually have a basketball match in the morning, and in the afternoon I hang out with my friends in the square. This weekend is different: I'm not playing, because I'm visiting my grandmother in Girona for her eightieth birthday. My cousins are coming too, and we're cooking a big lunch. I prefer my usual weekend because I love the matches, but this one is special.

📚 Study guide: prepare for Checkpoint 2 and the final exam

How to study what you learn in this Learning Path, and practice that works like the checkpoint and looks like the exam. The answer key is at the end of each activity.

How to study

🧠 **Test yourself, don't reread**

Close your notes and try to remember: write the words, say the rule, answer the questions. Then check. Rereading and highlighting feel useful, but you remember much less.

Retrieval practice · Roediger & Karpicke 2006; Dunlosky et al. 2013

📅 **Spread it out**

Three short sessions of 15 minutes on different days work better than one long session the day before.

Spacing · Cepeda et al. 2006

🔀 **Mix it up**

Practise similar things together so you learn to choose the right one for each sentence.

Interleaving · Rohrer & Taylor 2007

✅ **Check and fix at once**

Mark your answers with the key straight away and write each wrong answer again, correctly.

Feedback · Hattie & Timperley 2007

© 2026 Roger Beltran · English Lab · All rights reserved

💬 Say why

For every answer, say the reason: “on, because it’s a date.” Explaining makes the rule stick.

Self-explanation · Dunlosky et al. 2013

😴 Sleep on it

Your brain stores what you learn while you sleep. A short self-test and a good night’s sleep beat studying late the night before.

Sleep and memory · Diekelmann & Born 2010

My plan

1. **Today** · Close this page and write from memory: two sentences with usually, two with now and five time expressions. Then check.
2. **In 2–3 days** · Do “Practise for Checkpoint 2” below. Look at the key and write again what you got wrong.
3. **Before Checkpoint 2** · Go over the flashcards: only the ones you still miss.
4. **The week before the exam** · Do the exam-style practice in every Learning Path, then the Sample exam. Repeat only the parts you failed.

What comes up

Checkpoint 2 (Learning Paths 1–3): short gaps, one question at a time, about 45 seconds each, no going back and no notes. You do it once, and you must stay on the page: if you leave it, it is sent. It opens the next Learning Path.
Final exam: this Learning Path comes up in the Listening (questions with four options), the Vocabulary (time expressions) and the Grammar (Present Simple or Present Continuous, state verbs).

Practise for Checkpoint 2

One question at a time · 45 s

It works like the real checkpoint: 13 questions, one at a time, about 45 seconds each, with no going back and no notes. This is only practice: nothing is sent, you can repeat it, and at the end you see your answers and the key.

On paper: cover the questions and uncover them one at a time, about 45 seconds each, with no going back.

2. Today I _____ (stay) at home: it’s raining.

7. _____ you usually walk to school? — Yes, I do.
8. She _____ (wear) a hat right now.
9. He _____ (need) new trainers. His are too small. (state verb)
10. _____ the weekend, I go cycling with my dad.
11. I _____ (know) the answer!
12. This month I _____ (learn) to skate.
13. Leo _____ (prefer) cycling to skating.

Transcripts (only if you cannot listen)

Transcript 1 · Video 1 · Mei: Saturday at the ice rink

Mei: Hi everyone, I'm Mei, and welcome to my Saturday vlog! Right now I'm at the ice rink in the town square. It's December, so it's really cold, about three degrees, and it's cloudy. I'm wearing a woolly hat, gloves and a big red jacket. Look! My brother Kai is skating behind me, and he's falling… again! I usually come here on Sunday afternoons with my family, just for fun. But today is different: I'm training for the Christmas show. My group is doing a dance on ice, so I'm practising my turns. It's difficult, but I love it. OK, back to the ice. See you next week!

Transcript 2 · Video 2 · Noah: at the bike park

Noah: Hey, what's up? I'm Noah, and today I'm at the bike park with my friends. It's Saturday morning, it's sunny and really windy, so it's perfect for riding. I'm wearing my helmet, gloves and my old blue tracksuit, because the park is full of mud. Behind me, Leo and Sara are racing down the hill. Leo is winning, as usual! I usually ride here with my dad on Sunday mornings, and we go slowly. But this weekend I'm filming a race for our club channel, so I'm not riding, I'm holding the camera. Next week I'm racing too. Wish me luck!
