2 Reading: Check it before you share it

Aquest text t'explica com saber si una font és fiable. Llegeix-lo i respon.

Before you put information on a slide, check it. Ask four questions.

1. Who wrote it? Look for a name: an author, a museum, a university or an official website. No name? Be careful.

2. When is it from? Diwali, Hanukkah and Lunar New Year change their date every year. Check that the information is for this year.

3. Why did they write it? Some pages inform you. Other pages want to sell you something, like costumes.

4. Do other pages say the same? Find each fact in at least two good sources.

At the end, write your sources: the title, the website and the year. Don't copy sentences: write your own.

Paraules: check = comprovar · author = autor/a · source = font · sell = vendre · fact = fet, dada

1. What should you look for first?
   a) how many pictures it has **b)** who wrote it **c)** how long it is
2. Why must you check the date of Diwali or Hanukkah?
   a) It changes every year. **b)** Nobody knows it. **c)** It is always the same.
3. How many sources do you need for each fact?
   a) at least two **b)** one **c)** five

Repeteix un tros de l’escolta just darrere de la veu, com una ombra.

Com es fa

El professor posa el fragment tres vegades: primer llegeix mentre escoltes, després murmura les paraules alhora i al final repeteix-les en veu alta just darrere de la veu.

Emma: Welcome back to Culture Bites. Today: where do two famous autumn celebrations come from? Let's start with Halloween.

Sam: Halloween comes from an old Celtic festival called Samhain. It took place in Ireland and Scotland more than two thousand years ago, at the end of the harvest and the start of winter.

Emma: And people believed that on that night, the spirits of the dead came back.

Sam: Exactly. So people used to light bonfires and wear masks to hide from the spirits. And here's a surprise: they didn't use pumpkins. They used to carve turnips!

9 Conversa: és fiable?

Un company et pregunta per la font que has trobat per a la fitxa de recerca.

La tasca
Respon amb frases curtes: on l'has trobat, qui l'ha escrit i si és fiable.

1. **Where did you find your information?** (On has trobat la informació?)

2. **Who wrote it?** (Qui l'ha escrit?)

3. **Is it reliable? Why?** (És fiable? Per què?)

Després · Fes la conversa en veu alta amb un company: ell pregunta i tu respons, i després al revés.

Model
I found it on the BBC website. A journalist wrote it. Yes, it is reliable.

10 Peça 3: fitxa de recerca

*Omple-la amb el teu grup i entrega-la individualment. Notes curtes amb paraules clau. Necessites **dues fonts** (ruta Starter: una font).*

És fiable? Fes-te les quatre preguntes del text: qui l'ha escrita, de quan és, per què l'han escrita (informar, vendre, entretenir) i on es publica.
Exemple: *Fiable: és d'un museu i és del 2025. · Cal comprovar-ho: és d'una botiga i vol vendre disfresses.*

Estereotip: *Some people think ___. This is unfair because ___. On our day, we will ___.*

📚 Guia d'estudi: prepara el Checkpoint 3 i l'examen final

Com estudiar el que aprens en aquest Learning Path, i pràctica que funciona com el checkpoint i s'assembla a l'examen. Cada activitat té les solucions al final.

Com estudiar

🧠 Posa't a prova, no rellegeixis
Tanca els apunts i intenta recordar: escriu les paraules, digues la regla, respon les preguntes. Després comprova-ho. Rellegir i subratllar sembla útil, però recordes molt menys.
Retrieval practice · Roediger & Karpicke 2006; Dunlosky et al. 2013

📅 Reparteix l'estudi
Tres sessions curtes de 15 minuts en dies diferents funcionen millor que una sessió llarga el dia abans.
Spacing · Cepeda et al. 2006

🔀 Barreja
Practica coses que s'assemblen juntes, així aprens a triar quina va a cada frase.
Interleaving · Rohrer & Taylor 2007

✅ Corregeix de seguida
Mira les solucions just després i torna a escriure bé cada resposta que has fallat.
Feedback · Hattie & Timperley 2007

💬 Digues per què
Per a cada resposta, digues la raó: «on, perquè és una data». Explicar-ho fa que la regla es quedi.
Self-explanation · Dunlosky et al. 2013

😴 Dorm bé
El cervell guarda el que aprens mentre dorms. Una petita prova i dormir bé és millor que estudiar fins tard la nit abans.
Sleep and memory · Diekelmann & Born 2010

El meu pla

1. **Avui** · Tanca aquesta pàgina i escriu de memòria: tres coses que has de mirar en una font i cinc paraules dels Learning Paths 1–3. Després comprova-ho.
2. **D'aquí a 2–3 dies** · Fes «Practica per al Checkpoint 3» aquí sota. Mira les solucions i torna a escriure el que has fallat.
3. **Abans del Checkpoint 3** · Repassa amb les targetes (flashcards) només les paraules que encara falles.
4. **La setmana abans de l'examen** · Fes la pràctica tipus examen de cada Learning Path i després el Sample exam. Repeteix només el que has fallat.

Què et trobaràs

Checkpoint 3 (LS1, Learning Paths 1–3 i 5): frases curtes amb un buit, una pregunta cada vegada, uns 45 segons per a cada una, sense tornar enrere i sense apunts. El fas una sola vegada i t'has de quedar a la pàgina: si en surts, s'envia. Quan l'acabis, s'obrirà el següent Learning Path.
Examen final: el que aprens aquí t'ajuda al Reading (prendre notes com al reading log). Aprofita aquest Learning Path per repassar el vocabulari i la gramàtica dels Learning Paths 1–3.

Practica per al Checkpoint 3

Una pregunta cada vegada · 45 s

Funciona com el checkpoint de veritat: 5 preguntes, una cada vegada, uns 45 segons per a cada una, sense tornar enrere i sense apunts. És només pràctica: no s'envia res, la pots repetir i al final veus les teves respostes i les solucions.

A la fitxa: tapa les preguntes i destapa-les una a una, uns 45 segons cada una, sense tornar enrere.

1. The days get _____ in summer.
2. Hanukkah is a festival of eight _____.
3. We visit our grandparents _____ Sunday.
4. Families eat turkey at _____ in the USA.
5. My friends _____ (play) football after school.

Transcripcions (només si no pots escoltar l’àudio)

Transcripció 1 · Culture Bites: the story behind two autumn celebrations

Emma: Welcome back to Culture Bites. Today: where do two famous autumn celebrations come from? Let’s start with Halloween.

Sam: Halloween comes from an old Celtic festival called Samhain. It took place in Ireland and Scotland more than two thousand years ago, at the end of the harvest and the start of winter.

Emma: And people believed that on that night, the spirits of the dead came back.

Sam: Exactly. So people used to light bonfires and wear masks to hide from the spirits. And here’s a surprise: they didn’t use pumpkins. They used to carve turnips!

Emma: Turnips? So where do the pumpkins come from?

Sam: In the 1800s, many Irish people moved to the United States. Pumpkins were bigger and easier to carve, so the tradition changed.

Emma: Now, Thanksgiving. It takes place on the fourth Thursday of November, and this year that’s the twenty-sixth.

Sam: The story usually starts in 1621. A group of English settlers, the Pilgrims, had a harvest feast with the Wampanoag people, who lived in the area. It lasted three days.

Emma: But it didn’t become a national holiday until 1863, when President Abraham Lincoln made it official.

Sam: Today families travel home, get together and share a big meal, usually with turkey. Many people say what they are grateful for.

Emma: It’s important to remember that not everybody sees the story in the same way. For some Native Americans, it is a day of mourning, a day to remember what they lost.

Sam: So both celebrations started as harvest festivals, but they have changed a lot over time.

Emma: That’s all for today. Happy holidays!
