4 Reading log: the two texts

Read the two texts again and fill in the log with short notes (key words, not copied sentences). Your teacher sees it on the dashboard.

Purpose: *to inform* (it tells you what is happening) · *to invite* (it wants you to come or try) · *to sell* (it wants you to buy something). A text can have two purposes.

Text A: what are people doing now? (two things)

7 Shadowing · Live from the sports hall (Emma and Sam)

Repeat part of the listening just behind the speaker, like a shadow.

How it works

Your teacher plays the clip three times: first read while you listen, then mumble the words along, then say them aloud just behind the speaker.

Emma: Hello and welcome to School Radio! We're at the sports hall and the big match is starting: the Blue Team against the Green Team. Sam, what's happening?

Sam: Well, Emma, the Blue Team is wearing their new white uniform and the Green Team is wearing green T-shirts and black shorts. The players are warming up and the crowd is cheering. It's very noisy in here!

Emma: It's cold and rainy outside, but inside it's hot. There are about two hundred students watching. Some of them are eating sandwiches!

8 Present Continuous

Read how it works and complete. After two wrong tries you will see the answer.

How it works

Present Continuous = am / is / are + verb-ing, for actions happening *now*. *I'm playing · She's skating · They're watching.* Negative: *I'm not playing · He isn't playing · We aren't playing.* Questions: *Are you playing? Is she skating? What are they doing?* Short answers: *Yes, I am. / No, she isn't.*

-ing spelling: play → play**ing** · dance → danc**ing** (drop the -e) · swi**m** → swi**mm**ing, ru**n** → ru**nn**ing, si**t** → si**tt**ing (one vowel + one consonant: double the consonant).

Time markers: *now, right now, at the moment, today, this weekend, this week, Look! / Listen!* · Short answers never use contractions: *Yes, she is* (not ~~Yes, she's~~).

Word order in questions: (Question word) + am / is / are + subject + verb-ing: *Why are they cheering? Who is scoring?* (with *who* as the subject, no extra pronoun).

10 Piece 1: in this photo…

Choose a photo of a free-time activity (yours, your family's or from an event) and describe it. This is the first piece of your vlog.

Your task

Describe the photo (80–110 words) for someone who cannot see it: the place, the weather, what people are doing and wearing, one detail that makes the moment special, and what usually happens there. Link your sentences with *and, but, because, so*.

Model (don't copy it)

In this photo, I'm at the beach with my cousins. It's hot and sunny, so everybody is in the water. My cousin Laia is swimming and my uncle is reading under the umbrella. I'm wearing a cap and shorts, because the sun is very strong. We usually go to this beach in August.

© 2026 Roger Beltran · English Lab · All rights reserved

Pauta: In this photo, I'm at ___ with ___. It's ___ (sunny / cold…). ___ is ___-ing and ___ are ___-ing. I'm wearing ___. We usually ___ on ___.

Minimum 80 words.

Check before you hand it in

☐ Present Continuous and Present Simple used correctly

☐ and / but / because / so

☐ One special detail

☐ The weather, the clothes or kit, where and when

11 Speaking: describe the photo

Look at your photo and record yourself describing it. Use notes; don't read.

Your task

Describe your photo live, as in a vlog, and add why the moment is special and what you usually do there (45–60 s).

Model

Hi everyone! In this photo, I'm at the sports hall and the crowd is cheering, because my sister is playing in the final. She's wearing the white uniform, number seven. It's a special day: she usually plays as a defender, but today she's scoring all the points!

Write what you will say · Then read it aloud three times and say it to your teacher.

© 2026 Roger Beltran · English Lab · All rights reserved

12 Talk: video call

A friend video-calls you on a Saturday. Answer the questions.

Your task
Answer in detail. Describe what is happening around you, and compare it with what you usually do on Saturdays.

1. **Hi! Where are you?**
2. **What are you doing right now?**
3. **Who are you with?**
4. **What's the weather like?**
5. **What are the people around you doing?**
6. **What are you wearing today?**
7. **Is this what you usually do on Saturdays?**

© 2026 Roger Beltran · English Lab · All rights reserved

Then · Have the conversation aloud with a classmate: they ask and you answer, then swap.

Model

Hi! I'm at the park near my house and I'm playing football with Pau and Martina. We're winning three to one! Around me, some kids are riding their bikes and an old man is feeding the pigeons. It's sunny but really cold, so I'm wearing my blue tracksuit and gloves. It isn't what I usually do: on Saturdays I usually go swimming, but today the pool is closed.

🔁 **How did it go?**

What do I need to review?

📚 Study guide: prepare for Checkpoint 1 and the final exam

How to study what you learn in this Learning Path, and practice that works like the checkpoint and looks like the exam. The answer key is at the end of each activity.

How to study

🧠 **Test yourself, don't reread**

Close your notes and try to remember: write the words, say the rule, answer the questions. Then check. Rereading and highlighting feel useful, but you remember much less.

Retrieval practice · Roediger & Karpicke 2006; Dunlosky et al. 2013

📅 **Spread it out**

Three short sessions of 15 minutes on different days work better than one long session the day before.

Spacing · Cepeda et al. 2006

🔀 **Mix it up**

Practise similar things together so you learn to choose the right one for each sentence.

Interleaving · Rohrer & Taylor 2007

✅ **Check and fix at once**

Mark your answers with the key straight away and write each wrong answer again, correctly.

Feedback · Hattie & Timperley 2007

💬 **Say why**

For every answer, say the reason: "on, because it's a date." Explaining makes the rule stick.

Self-explanation · Dunlosky et al. 2013

😴 **Sleep on it**

Your brain stores what you learn while you sleep. A short self-test and a good night's sleep beat studying late the night before.

Sleep and memory · Diekelmann & Born 2010

My plan

1. **Today** · Close this page and write from memory: five clothes and weather words and three sentences about what people are doing now. Then check.
2. **In 2–3 days** · Do "Practise for Checkpoint 1" below. Look at the key and write again what you got wrong.
3. **Before Checkpoint 1** · Go over the flashcards: only the ones you still miss.

© 2026 Roger Beltran · English Lab · All rights reserved

4. **The week before the exam** · Do the exam-style practice in every Learning Path, then the Sample exam. Repeat only the parts you failed.

What comes up

Checkpoint 1 (LS1 and Learning Paths 1 and 2): short gaps, one question at a time, about 45 seconds each, no going back and no notes. You do it once, and you must stay on the page: if you leave it, it is sent. It opens the next Learning Path.
Final exam: this Learning Path comes up in the Listening (questions with four options), the Vocabulary (clothes, kit, weather, sport events) and the Grammar (Present Continuous).

Practise for Checkpoint 1

One question at a time · 45 s

It works like the real checkpoint: 13 questions, one at a time, about 45 seconds each, with no going back and no notes. This is only practice: nothing is sent, you can repeat it, and at the end you see your answers and the key.

On paper: cover the questions and uncover them one at a time, about 45 seconds each, with no going back.

1. Look! The children _____ (play) in the snow.
2. I _____ (wear) my new trainers today.
3. It's _____ today: take an umbrella. (plou)

8. It's _____: there's a lot of wind. (fa vent)
9. Our team is playing in a _____ this weekend. (competició)
10. Why _____ you laughing?
11. Look! Marc _____ _____ a goal! (marcar)

Sam: And the match is starting! Number seven, Marc, has the ball. He's running… he's jumping… and he scores! Two points for the Blue Team!

Emma: Marc usually plays as a defender, but today he's playing as a forward. And it's working!

Sam: Now the Green Team has the ball. Their captain, Júlia, is passing to number four… she's shooting… and she misses. The Blue Team is winning, six to two.

Emma: What a match! It's half-time now. The players are drinking water and the coach is talking to the team. We'll be back in ten minutes. Don't go away!

Transcript 2 · Where are you?

Laia: [cheerful] Hi Omar! Where are you? It's really noisy.

Omar: Hi Laia! I'm at the sports centre. My sister is playing basketball and I'm watching the match. She's playing really well!

Laia: Oh, nice! Do you go every Saturday?

Omar: No, not every Saturday. I usually go swimming on Saturday mornings, but today the pool is closed. What about you? What are you doing?

Laia: [laughs] I'm at home. I'm drawing a comic about a cat who plays the guitar. And it's raining, so I'm not going to the park.

Omar: A cat who plays the guitar? I want to see it! Listen, the match finishes at twelve. Do you want to meet in the square at half past twelve?

Laia: Perfect. I'll bring the comic. See you there!

Omar: See you!
