3 Reading: The autumn chat

Núria: Hi Josh! How's the weather in Manchester?

Josh: Hi Núria! It's cold and rainy. The mornings are very cold, and there was frost (ice) on the cars today!

Núria: Frost? Here it's mild. It's sunny in the afternoon, but the mornings are cool and foggy.

Josh: Lucky you! The clocks went back last weekend, so it gets dark very early now, at half past four.

Núria: Wow! Here the days get shorter too.

Josh: What do you do in autumn?

Núria: It's harvest time, so there's a lot of seasonal food. Last Sunday I went to the forest with my dad. We picked mushrooms.

Josh: Nice! We picked apples at a farm.

Núria: On 31 October we celebrate the Castanyada. We roast chestnuts and sweet potatoes, and we eat panellets. Panellets are little sweets with almonds and pine nuts. At school, a teacher dresses up as a castanyera, an old woman who sells chestnuts.

Josh: Delicious! We have Halloween on the same night. Children wear costumes and go trick or treating. My little brother is going to be a skeleton. He's very excited!

Núria: Do you carve pumpkins?

Josh: Yes, every year. My mum makes pumpkin soup with the inside. And you? Do you wear costumes?

Núria: Some people do. But for me the Castanyada is about family. We eat together at my grandparents' house. It's cosy and relaxed.

Josh: Nice! I love autumn. The leaves change colour and fall from the trees.

Núria: Me too. Autumn is my favourite season!

📚 Guia d’estudi: prepara el Checkpoint 1 i l’examen final

Com estudiar el que aprens en aquest Learning Path, i pràctica que funciona com el checkpoint i s’assembla a l’examen. Cada activitat té les solucions al final.

Com estudiar

🧠 Posa’t a prova, no rellegeixis

Tanca els apunts i intenta recordar: escriu les paraules, digues la regla, respon les preguntes. Després comprova-ho. Rellegir i subratllar sembla útil, però recordes molt menys.

Retrieval practice · Roediger & Karpicke 2006; Dunlosky et al. 2013

📅 Reparteix l’estudi

Tres sessions curtes de 15 minuts en dies diferents funcionen millor que una sessió llarga el dia abans.

Spacing · Cepeda et al. 2006

🔀 Barreja

Practica coses que s’assemblen juntes, així aprens a triar quina va a cada frase.

Interleaving · Rohrer & Taylor 2007

✅ Corregeix de seguida

Mira les solucions just després i torna a escriure bé cada resposta que has fallat.

Feedback · Hattie & Timperley 2007

💬 Digues per què

Per a cada resposta, digues la raó: «on, perquè és una data». Explicar-ho fa que la regla es quedi.

Self-explanation · Dunlosky et al. 2013

😴 Dorm bé

El cervell guarda el que aprens mentre dorms. Una petita prova i dormir bé és millor que estudiar fins tard la nit abans.

Sleep and memory · Diekelmann & Born 2010

El meu pla

1. **Avui** · Tanca aquesta pàgina i escriu de memòria: cinc paraules de la tardor i dues frases sobre la teva rutina. Després comprova-ho.
2. **D’aquí a 2–3 dies** · Fes «Practica per al Checkpoint 1» aquí sota. Mira les solucions i torna a escriure el que has fallat.
3. **Abans del Checkpoint 1** · Repassa amb les targetes (flashcards) només les paraules que encara falles.
4. **La setmana abans de l’examen** · Fes la pràctica tipus examen de cada Learning Path i després el Sample exam. Repeteix només el que has fallat.

Què et trobaràs

Checkpoint 1 (LS1 i Learning Paths 1 i 2): frases curtes amb un buit, una pregunta cada vegada, uns 45 segons per a cada una, sense tornar enrere i sense apunts. El fas una sola vegada i t’has de quedar a la pàgina: si en surts, s’envia. Quan l’acabis, s’obrirà el següent Learning Path.
Examen final: d’aquest Learning Path surten el Vocabulary (estacions, temps, paraules de la tardor) i el Grammar de LS1 (Present Simple, adverbis de freqüència).

Practica per al Checkpoint 1

Una pregunta cada vegada · 45 s

Funciona com el checkpoint de veritat: 8 preguntes, una cada vegada, uns 45 segons per a cada una, sense tornar enrere i sense apunts. És només pràctica: no s’envia res, la pots repetir i al final veus les teves respostes i les solucions.

Transcripcions (només si no pots escoltar l’àudio)

Transcripció 1 · Halloween and the Castanyada

Emma: Welcome back to Culture Bites. Today: where do two famous autumn celebrations come from? Let’s start with Halloween.

Sam: Halloween comes from an old Celtic festival called Samhain. It took place in Ireland and Scotland more than two thousand years ago, at the end of the harvest and the start of winter.

Emma: And people believed that on that night, the spirits of the dead came back.

Sam: Exactly. So people used to light bonfires and wear masks to hide from the spirits. And here’s a surprise: they didn’t use pumpkins. They used to carve turnips!

Emma: Turnips? So where do the pumpkins come from?

Sam: In the 1800s, many Irish people moved to the United States. Pumpkins were bigger and easier to carve, so the tradition changed.

Emma: Now let’s go to Catalonia. On the same night, the thirty-first of October, many families celebrate the Castanyada.

Sam: It’s the night before All Saints’ Day, on the first of November. On that day, many people visit the cemetery and remember family members who have died.

Emma: So where do the chestnuts come from?

Sam: People say that, a long time ago, bell ringers rang the church bells all night for the dead. They ate roasted chestnuts to keep warm and get energy.

Emma: And chestnuts and sweet potatoes are autumn food. It’s harvest time, so they’re easy to find.

Sam: Then there are panellets: little round sweets made with almonds, sugar and pine nuts. Many families make them at home together.

Emma: And in the streets you can see castanyeres, women who sell roasted chestnuts in paper cones. At school, someone often dresses up as one.

Sam: So both celebrations happen on the same night, and both are about the dead and the end of the harvest. But they feel very different!
